

June 2016 | Marketing drawings are conceptual and for general purpose only. The builder reserves the right to make modifications and changes to building designs, features and floorplans without notice. Overall unit, room and deck sizes are approximate and based on the construction square footage not the legal measurements shown in the condo plan (please refer to the purchase contract for legal size). Plan may vary depending on its location in townhome block. Exterior elevations may vary with each building. Bulkheads, plumbing stacks and utilities may be added depending on floorplan and as per code. Plan may be mirrored/reversed. E & OE.
